NOTICE OF MOTION

Comes now Plaintiff Emmanuel Torres and files this motion for an order granting summary remand back to the City of New York Civil Court Bronx County.

Plaintiff respectfully request this court to review the attachments and the assertion of jurisdiction argued by defendants in their removal notice.

The instant summons and complaint sought to be removed by defendants to the District Court. Was an action filed under New York Law, see page 2 under sub heading labelled jurisdiction and venue. "plaintiff asserted the Civil Court of the City of New York County of Bronx, has jurisdiction pursuant to the New York State Fair Debt Collection Practices Act, Section 601 and General Business Law Section 349. All of the causes of action: (1) false and misleading statements, (2) derogatory credit injury and (3) failure to provide validation of a debt.

All causes of action are causes under New York law and Plaintiff has not articulated any federal claims or causes of action. As opposed to the intentional mischaracterizations asserted by Defendants counsel in their removal notice.

WHEREFORE plaintiff respectfully request the court to remand this matter back to its proper forum.
